

Accelerating Energy Transformation @ SIEW 2019

Join the discussions at the [Singapore International Energy Week \(SIEW\) 2019](#), as global energy thought leaders deliberate on the theme of Accelerating Energy Transformation at the [SIEW Opening Keynote Address](#) and [Singapore Energy Summit](#). The energy landscape continues to experience major shifts. Global energy demand is expanding, and this is especially pronounced in Asia. Against this backdrop, SIEW will provide a platform for global energy stakeholders to deliberate on and accelerate the transformation towards a more sustainable energy future.
